

Application for Minnesota Grown Labeling License and Directory Listing

Minn. Stat. Sec. 17.102

License Period: January 1 to December 31

The data on this form will be used to process your application. You must provide your Minnesota Tax ID number. If you do not have one, you must provide your social security number (MS Sec 270C.72). We are required by law to collect this information and we cannot grant your license without it. No one will have access to your social security number except those permitted access by law, your written consent, court order, or those department employees whose job duties require access. If you are unsure if you need a Minnesota Tax ID, contact the Minnesota Department of Revenue at www.taxes.state.mn.us.

Minnesota Grown Labeling License

Eligible applicants are individuals who produce an agricultural product. Farmers Markets also qualify for a license, and may use it to promote the market itself. Individual market vendors must be licensed on their own license. This license gives licensees:

- The rights to use the trademarked logo on all eligible products, websites and promotional material
- Option to add a Minnesota Grown Directory Consumer Listing (Pages 3-4)
- Access to free promotional items, like price cards, stickers and more
- Option to add a Minnesota Grown Directory Wholesale Listing (Pages 5-6)
- Access to a labeling cost-share program

Application for Minnesota Grown Direct-To-Consumer Directory Listing

The Minnesota Grown Directory is an annual printed publication and online listing of Minnesota growers who sell direct to consumers. **Listings submitted after December 31st may miss the opportunity to be included in the printed Directory.** Listings are available if you have a Minnesota Grown Labeling License (Page 1). If you have questions, please call.

Provide the following information as you would like it to appear in the Directory. Please print clearly.

APPLICANT INFORMATION

Farm/Market Name:		
City:	State:	Zip:
County:	Telephone Number:	
Web Address 1:	Web Address 2:	
Web Address 3:	Email Address:	

Farm/Market Description
 Describe your business and your available products/services. This is your chance to make a short sales pitch. Be creative and let customers know why they should visit you or buy your products. (Please note the 460 character limit or your listing may be cut off. Characters include letters, numbers, punctuation marks, spaces, etc.)

Farm/Market Location
 Please attached a map or provide detailed directions to your physical/farm location. This will be used by staff to map your farm. You have the option to show your location on the detailed page of our website. Customers would then be able to use Google Maps to get directions.

Do you want your location visible to the public? Yes No

Are you certified Organic? Yes No
 If yes, you must submit a copy of your latest certificate with this application.

<p>Products/Services From the list on Page 4, select up to five items for inclusion in the printed directory product index. Choose only products you grow or raise.</p> <ol style="list-style-type: none"> 1. 2. 3. 4. 5. 	<p>From the list on Page 4, list any additional items you would like associated with your listing in the online directory.</p>
--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	--------------------------------------------------------------------------------------------------------------------------------

Please email photos/logos to display with your online listing. All listings include the Minnesota Grown Proud Member logo. We strongly encourage you to submit at least three other photos. Please email them to: mngrown.mda@state.mn.us

Please select up to five items and list them on the bottom of page 3.

Special Categories & Certifications

- **Community Supported Ag Farm (CSA)** (Please note: only farms who sell products through subscription may select this category and are limited to this category. CSA farms may only select four other products if they are offered to general public, not just to CSA members).
- **Farmers Market** (Please note: only farmers markets may select this category. Not individual farms who sell at markets. Farmers Markets are limited to this and the Winter Farmers Market category).
- **Winter Farmers Market** (Please note: only farmers markets may select this category, not individual farms who sell at markets. Farmers Markets are limited to this and the Farmers Market category).
- **Certified Organic Products Available** (Please note: farms selecting this category must submit a copy of their most recent certification).
- **Minnesota Agricultural Water Quality Certified** (Please note: farms selecting this category must submit a copy of their most recent certification).

Application for Minnesota Grown

Wholesale Directory Listing

The Minnesota Grown Wholesale Directory is an online-only directory featuring farm businesses interested in selling to wholesale markets. Listings are available for fresh food that is grown/raised in MN and sold to wholesale markets, like grocery stores, retailers, distributors, restaurants, schools, or institutions. You must have a valid Minnesota Grown Labeling License (page 1) to have a listing in the Directory. If you have questions about qualifying, please call.

Provide the following information as you would like it to appear. Please print clearly.

MINNESOTA GROWN MEMBER INFORMATION

Contact Name:
